**How do I successfully implement Montessori for Aging and Dementia?**

**Step 1: Complete the 12-hour Montessori for Aging and Dementia workshop**
This workshop is offered live (in person or virtually) or as an online self-study. It is designed for anyone who wants to improve the quality of elder care using dementia care best practices and a Montessori approach for aging and dementia. Social worker and NCCAP CEUs are available. The 12-hour workshop is a pre-requisite for the 6-Month Montessori Certification Course.

> Cost: $299 (live workshop in person or via Zoom) & $199 (online self-study)
> Learn more and register here: https://brushdevelopment.com/programs/montessori
> *Can't find a workshop date or location that works for you? Schedule one for your group!*

**Step 2: Complete the 6-Month Montessori Certification Course**
This certification is open to anyone who completed Step 1.  During the 6-month course, you will receive access to prerecorded videos and handouts that walk you through a comprehensive process of becoming a AMI Montessori Practitioner. In addition, you will participate in live monthly online meetings to help you in completing the practical case study experiences needed to achieve certification. You will earn **two** certificates: A Practitioner Certificate in Montessori for Aging and Dementia from Association Montessori Internationale (AMI) and a Montessori Elder Care Practitioner from Brush Development.

> Cost: $600
> Learn more here: https://brushdevelopment.com/programs/certification
> A new class is offered every January and July.

**Step 3: Become a Montessori champion!**
Your Montessori for Aging and Dementia Practitioner Certificate enables you to create a prepared environment and implement roles and activities and for older adults using Montessori principles. You can serve as a role model and leader in your care community to help to establish Montessori programming – or coach elders and care partners in a home setting.  This is not training to become a trainer.  Visit AMI  www.montessorifordementia.org for information on the training of trainers.
